About

English Gymnastics

The English Gymnastics Association Limited (EGA) was originally formed in 1982 by the 10 English Regions, to ensure that England was represented in the Commonwealth Games and other International events. English Gymnastics is recognised by Commonwealth Games England and the Commonwealth Gymnastics Federation. We have also been instrumental in ensuring that English Championships now enjoy a major event status in the British Gymnastics calendar.

The English Gymnastics Strategy aims to meet the following vision and core purpose:

- To unite and reflect the common purpose of the Regions
- To deliver and facilitate opportunities to develop and retain all involved in gymnastics

Covid-19 Related Preface

Covid-19 and the associated restrictions have had a huge impact upon all our lives and our communities. The implications have been clear in relation to English Gymnastics 2020 and 2021 events, where all planned activity in both years were cancelled.

However, with the vaccine roll-out continuing at pace, it is with greater hope that we look forward to re-starting our events programme in 2022.

Whilst our planning is progressing on the basis that social distancing, to all intents and purposes, has come to an end, we will be taking all reasonable steps to create a Covid-19 secure environment at events in line with current Government guidance.

This may require limiting capacity of both entries and spectators within event venues to ensure social distancing can be maintained, increased cleaning and hand hygiene provision and the implementation of personal protection equipment (where necessary).

It is important that everyone planning to attend an event understands that, although measures will be put in place to decrease the likelihood of transmission or contraction of Covid-19, the risk cannot be eliminated.

As such, there is an increased risk associated with attendance at an event and everyone must consider their own circumstances, which includes (but is not limited to) personal underlying health conditions (of themselves or someone within their household), when making an assessment about attending events.

It is also important that each individual understands the responsibilities they have to keep, not only themselves safe, but to work together to make sure we can create a safe environment for all – we really do need everyone's help!

We ask coaches to make the appropriate assessment of a gymnast's ability level and their readiness, both physically and mentally, to take part in future events, based on your own particular circumstances.

It is fully acknowledged that some flexibility and changes to the normal way events are staged will be necessary for the foreseeable future.

We are, therefore, extremely grateful for everyone's patience, understanding and co-operation in trying to regain some much-needed normality in these incredibly challenging times.

Welcome Letter

Dear All

Welcome and thank you for reading the 2022 English Championship Series Competition Handbook. I apologise about the late publication of this year's Handbook, but we have had venue booking troubles. I am pleased to introduce to you to, the 'English Championships Series'. The competition that underpins the National Trampoline structure provided by British Gymnastics and is based on FIG rules. The competition is based on a two-tier competition structure named Silver and Gold.

The qualification process for the Silver and Gold will be made through two qualifying Events in 2022.

Qualification to English Championships can be made in both gold and silver levels. Qualification numbers vary in each discipline, which will be explained in more details further on in this document. The disciplines that you can compete within the English Championships are Trampoline Individual (TRI), Trampoline Synchronised (TRS), Disability Trampoline individual, synchronised and Double Mini Trampoline (DIS), Double Mini Trampoline (DMT) and Tumbling (TUM).

The qualification for Tumbling silver will be a little different due to the change in the British Gymnastics Regional Challenge Cup. Please carefully read the details of this event on Page 25. Gold will qualify through British Championship Spring Cup Series. Any Gymnast that has qualified to Tumbling British Championships will be invited to compete at the English Championship Gold.

You **cannot** qualify for British Championships through the English Championship Qualifying Series and vice versa (apart from Tumbling Gold)

Changes have been made to the qualification criteria in 2022, so please make sure you read through the document to make sure you are aware of all the new criteria. We ask all coaches to please be mindful of the level you place your gymnast into. If your gymnast is good enough to compete at Gold, they should be entered into that level.

I would like to thank you for taking the time to read this Handbook and look forward to seeing you at the competitions in 2022.

Yours in Sport

Stephen Wood

Provision of Officials

Qualification Series: The **EGA will not be responsible** for booking any rooms or pay any expenses towards judges' travel or accommodation during the English Qualification Series.

Clubs will be required to nominate judges for the English Qualifying Series when entering gymnasts online.

English Championships: England are now starting to create a list of judges that wish to judge at the English Championships. We would like clubs to encourage their judges to nominate themselves forward to be placed on the England Judge List. The EGTTC's National judging Coordinators for Trampoline and Tumbling will then appoint officials and judges for the English Championships from those put forward. The EGTTC will provide all accommodation and meals at the event but **WILL NOT** provide travel expenses.

Judges for the English Qualification Series should ideally hold the **County Judge qualification** as a minimum.

Judges for the English Championships will be required to hold the **Regional Judge qualification** as a minimum.

However, judges of a lower qualification may be considered for development purposes and should email the [English Gymnastics Events](#) in the first instance although the Organiser will have absolute discretion whether to accept a lower qualified judge for sustainability of the event.

Officials required for events

Number of Competitor Entries per day	Number of Officials Required per day
1 – 2	1 suitable official for a full day
3 – 5	1 suitably qualified judges
6 – 9	3 judges (minimum of 2 qualified judges)
10 – 14	4 judges (minimum of 3 qualified judges)
15 – 20	5 judges (minimum of 3 qualified judges)
21+	6 judges (minimum of 4 qualified judges)

Missing judges

If clubs cannot supply the required number of judges, the club will be required to pay a fine of £150 per missing judge, with a maximum charge of £600 for any one club at any one competition. This is so the organisers can try and supply an independent judge to make up for the missing judge/ official.

Where a club is unable to supply a judge and accepts the missing judge fine (as per above), they are to email the [English Gymnastics Events](#) stating:

- Their Club
- Number of gymnasts being entered into the event (ideally these will be prepared on GymNET, ready to submit)
- Number of missing judges
- Acceptance of missing judge fee

Upon receipt of this application, the English Gymnastics Administrations Team will confirm the missing judge fee and apply this to the Clubs GymNET event application.

The English Judge Coordinator may be inclined to accept officials such as marshals, floor security, door officials in place of a judge. **This will be done on a first come, first served basis** and once all places are full, the charges above would apply.

Withdrawal/ Change of Officials

Please note that any withdrawals of a judge up to two days before the competition will result in a £200 fine per judge withdrawn UNLESS another judge of equal or better quality replaces them.

If a judge is withdrawn in the two days before or on the day of the competition, the fine will increase to £300 per judge UNLESS a suitable replacement is found to replace the missing judge.

Note: Illness on the day DOES NOT permit clubs to withdraw judges without replacing them with another.

All fines must be paid in full before the start of the competition or the club will be refused access to the field of play, until the fine is paid in full - **NO EXCEPTIONS.**

Competition Attire

Gymnasts

In order to make EGA events more inclusive and accessible, a British Gymnastics Policy has recently been approved by the British Gymnastics Board, following consultation with the National Technical Committee and having adopted feedback received from the community.

In principle, this Policy overarches, but should be read in conjunction with, the discipline specific policies and references in the Code of Points and other documents.

The Policy seeks to break down barriers to participation by, for example, removing gender specific requirements for competition attire.

These overarching principles may be found in the [Club Hub - Resources \(Clothing Attire at Events Policy\)](#). The implementation of this Policy will be monitored for the first year and reviewed accordingly, but Coaches are encouraged to email the [English Gymnastics Events](#) or their respective Competition Organiser should they have any queries about the attire that they propose for their gymnast to wear at EGA events.

Advertising must adhere to the [Club Hub - Resources \(Advertising on Clothing & Competition Attire at Events Policy\)](#). When representing your Club, the wearing of GBR or Home Country attire at EGA events is strictly forbidden. For the avoidance of doubt, any inclusion of the Union Flag (or other Home Nation Flag) within the design of any leotard is expressly forbidden.

Strapping – a suitable color of tape should be used, i.e., no bright colours or patterns.

The removal of leotards on the Field of Play is not allowed.

Coaches

- Coaches must wear a tracksuit with full length tracksuit bottoms or full-length tracksuit bottoms with a collared polo shirt or club t-shirt and appropriate gym/ training shoes.
- The wearing of GBR or Home Country attire at EGA events is strictly forbidden - unless on international duty for your Home Country.
- Long hair should be braided or tied back so as not to obscure vision.
- Coaches will not be allowed to support on the competition floor if wearing ANY jewellery. Exceptions are as per the [Club Hub - Resources \(Health & Safety Guidance: Safe Coaching\)](#).

Non-compliance may result in removal of the Coach and consequently, for health and safety reasons, their Gymnast(s) from the competition.

Spotters/ Competition Marshals

- Spotters must wear clothing as described in the FIG Trampoline Code of Points. Non-compliance may result in removal of the coach/ spotter and consequently, for Health and Safety reasons, their gymnast from the competition.

- Spotters will not be allowed to support on the competition floor if wearing ANY jewellery. Exceptions are as per the [Club Hub - Resources \(Health & Safety Guidance: Safe Coaching\)](#).

Judges Uniform

- Dark blazer or suit jacket
- Dark trousers or Skirt
- White shirt
- Black shoes
- For men: a navy blue or English Gymnastics ties
- For ladies: an English Gymnastics scarf should be worn

Judge, Coach, Gymnast requirements

The following provides requirements for Judges, Coaches, and Gymnasts that are to be involved within this event.

Note: Only Clubs affiliated to their respective Regions will be allowed to enter English Gymnastics events

Membership

All persons attending EGA events in an official capacity, whether as a Gymnast, Coach or Judge, are required to hold current British Gymnastics Membership upon entry to and in attendance, in line with the level of competition entered and awards held.

Coaches, Judges and Gymnasts should carry proof of British Gymnastics Membership to all competitions and be prepared for these to be checked by the Organisers or their appointed officials.

Gymnasts

- Membership level must be Competitive Gymnast, Coach or Life Member of British Gymnastics to enter an EGA event. In normal circumstances, Gymnasts should also be a member of a British Gymnastics Registered Club.

In exceptional cases, where a Gymnast does not belong to a British Gymnastics Registered Club, they must email [English Gymnastics Events](#), and request entry into the event. If granted, such Gymnasts will be given the classification as being 'Independent'. In such circumstances, the Independent Gymnasts must nominate a Coach and must also meet all other Membership requirements.

Lead Coaches

Lead Coaches' Membership level must be Coach or Life Member of British Gymnastics. Coaches must be qualified to the level of the skills being performed before being allowed to participate in an EGA event. Lead Coaches must have a current Safeguarding and DBS Certificates – See [Safeguarding Section](#).

The Lead Coach may authorise other Coaches from their club to coach skills of a maximum of 1 level higher than that coach's qualification (Supervised Coach) but has responsibility for ensuring that they are competent to do so. Further information on the **Lead Coach Guidance** can be found within on the [British Gymnastics website > Technical Information > Competition Handbook](#).

Coaches

Coaches' membership level must be Coach or Life Member of British Gymnastics and must be qualified to a minimum of Level 2. Coaches must be qualified to the level of all the skills being performed by the gymnast for which they are responsible. Coaches must have current Safeguarding and DBS Certificates. See [Safeguarding Section](#).

Supervised Coaches

To be a Supervised Coach, you must be a minimum of Level 2. With the explicit authorisation of the Lead Coach, Supervised Coaches may coach skills at the maximum of 1 level higher than their current qualification. Before being allowed to participate in an EGA event, the Supervised Coaches must have completed the relevant course or module of the next coaching level covering those skills, although they may not yet be signed off as qualified.

Further information on the **Lead Coach Guidance** can be found within on the [British Gymnastics website > Technical Information > Competition Handbook](#).

Assisting Coaches

Assisting Coaches' Membership level must be Assistant Coach (if Level 1), Coach or Life Member of British Gymnastics before being allowed to participate in an EGA event. Assisting Coaches must have a current Safeguarding and DBS Certificate – See [Safeguarding Section](#). Assisting Coaches cannot be responsible for the gymnasts.

Disability Chaperone

Chaperones may be permitted to provide pastoral care to gymnasts in certain circumstances. Under no circumstances may a Chaperone coach a gymnast. In the case where a gymnast has a disability, the nature of which indicates that it is deemed necessary to have additional support, they will be entitled to have a carer present with them throughout the competition.

The carer:

- Will not be insured by British Gymnastics to take part in any type of recognised gymnastics activity.

- Will be required to sign a Code of Conduct to ensure they understand the role they are fulfilling within the event environment.
- Will be required to be dressed appropriately if entering the warn-up hall or field of play.

Medical Chaperone

In exceptional circumstances, upon written request, a Chaperone may be approved to provide pastoral care to a gymnast with a medical condition. Written medical verification of the need for the carer (from GP or other medical practitioner) will be required to be submitted to the [English Gymnastics Events](#) email at least one week prior to the start of the event.

The carer:

- Will not be insured by British Gymnastics to take part in any type of recognised gymnastics activity.
- Will be required to sign a Code of Conduct to ensure they understand the role they are fulfilling within the event environment.
- Will be required to be dressed appropriately if entering the warn-up hall or field of play.

Supervising Chaperone

The Organisers may authorise Supervising Chaperones to assist with pastoral care for gymnasts. These entitlements, if applicable, will be defined in the specific competition pages. In these circumstances, the Supervising Chaperones must either be qualified as a Level 1 Assistant Coach or be a Club Welfare Officer and hold the relevant membership and qualifications, DBS and SPC for their position(s). Supervising Chaperones will not be permitted to enter the Field of Play.

Volunteers

Volunteers are vital to help with the smooth running of the competitions. We always welcome volunteers who will be willing to help setup and break down of the competition floor at the start and the end of the event. The EGA welcome all young leaders and would be happy to find jobs for all who wish to volunteer to help make our competitions run smoothly. Additional information can be found in [Appendix 7 - Volunteering at English Events](#). Please email the [English Gymnastics Events](#) who will be happy to find you a job.

Judges

Judges must hold a suitable level of British Gymnastics membership before being allowed to officiate at an EGA event – see [British Gymnastics website \(membership\)](#) for further details.

Judges must also hold a current Cycle of Judging Award (Cycle 15).

The EGA does not required Judges to complete a Criminal Record Check (DBS) to Judge at EGA competitions, as the role that Judges fulfil at the event no longer falls within [DBS Eligibility](#). However, some Judges are actively involved in Club gymnastics and may provide Judging instruction to children in a training environment or carry out a supervisory role (or may complete a Criminal Record Check by virtue of another role they undertake e.g., Coach). As not all Judges use their qualification in the same way, it is the Club's responsibility to assess the role the Judge is undertaking and determine whether the activities involved fall within the Eligibility Criteria for a Criminal Record Check. British Gymnastics no longer requires all Judges to complete

Safeguarding Training, but Clubs should ensure any Judge who supervises or instructs children has completed appropriate training.

For further information on Membership levels, please visit the [British Gymnastics Website](#).

Coach Qualifications

When submitting entries for an EGA event, Clubs must ensure that the nominated Supervising Coach(es) is/ are qualified to the level of the participant's performance. The practice of supervising participants working above the level of the Coach's qualification is not allowed.

All Coaches must have completed the [British Gymnastics Positive Coaching Module](#).

All Coaches entered into the event entry, must be the same ones attending the event. It is unacceptable to enter a Coach you know will not be attending. The Lead Coach has the ultimate responsibility for all the participants from their Club and that of the Supervising Coaches, Assistant Coaches, Chaperones & Choreographers.

It is the Club's responsibility to ensure that only accredited Coaches are on the Field of Play and Warm-Up areas. Coaches who are used to push mats must be at least a Level 2. Lead Coaches have a duty of care towards their performers and have responsibility to ensure that all of the Coaches under their supervision are both qualified and competent to teach at the appropriate level, as well as ensuring that the participant is adequately prepared, physically and psychologically, for performing their routines in a competition situation. Additional Assisting Coaches (Level 1 and above) may be accredited, at the discretion of the Organiser, to be present in the competition arena to assist with the pastoral care of the gymnasts. Assisting Coaches may not coach the gymnasts unless they fulfil the requirement of holding a recognised qualification suitable to the level of skills being performed.

If it is found that a Club is in breach of these policies, the EGA reserves the right to reject an entry on the grounds of Gymnast safety or, if discovered post-performance, to disqualify the competitor and remove their score(s) from the official results.

Safeguarding

All Coaches, Lead Coaches, Supervised Coaches and Assisting Coaches are required to hold a current British Gymnastics specific DBS Certificate and have current Safeguarding and Protecting Children Awareness training at the time of the event. Coaches who do not fulfil this requirement will not be accredited or allowed to participate in EGA events.

All Gymnasts must always have an accredited Coach present on the Field of Play and during Warm-Up. If a Gymnast attends a competition without a suitably qualified Coach or Supervised Coach, they will not be allowed to compete.

Initial Safeguarding training, which is valid for 3 years, must be a face-to-face workshop and delivered by a recognised training organisation.

The EGA and British Gymnastics accepts training from the following providers:

- Local Authority Safeguarding
- Football Association (FA) Safeguarding
- UK Coaching Safeguarding & Protecting Children
- NHS Safeguarding
- Specific professional prior learning (Social Worker, Teacher, Police Officer etc.)
(Or Home Country equivalent approved by Scottish Gymnastics/ Welsh Gymnastics/ Gymnastics NI)

This must be renewed every three years and be valid both at the time of entry and through to the end of the event. Coaches are responsible for checking the expiry date of their Safeguarding and ensuring they have sufficient time to renew their award prior to the closing date of the event.

To enhance National Safeguarding training, British Gymnastics provide a [sport-specific online Safeguarding Refresher Course](#) which can be used to renew Safeguarding after completing a face to face course.

Coaches must also have a valid [DBS disclosure](#), both at the time of entry and through to the end of the event, before being allowed to officiate at an EGA event.

Guests

Gymnasts who are not English may request or be invited by English Gymnastics to take part in the English Event Series and Championships. They will receive scores(s) but will not receive a ranking in the official competition results.

If a gymnast wishes to compete as a Guest (see [Nationality Eligibility section](#)) at an English event series competition or championships, the club/ coach/ Home Nation should email the [English Gymnastics Events](#) before the closing date.

Following the application, a decision will be made by the EGATTC as to whether the entry can be accepted. If the entry is accepted, the entry fee will then become payable and entered into the club basket.

Only those gymnasts classed as English (using the [Eligibility criteria](#)), are able to be ranked in the official competition results where an English title is being contested. English Gymnastics will award a medal to a Guest, but they will not take part in the official medal ceremony.

Where a competition provides a qualification route to take part in the English Championships, the result of a non-English gymnast will not lead to the displacement of an English gymnast who would have otherwise qualified for the English Championships.

Participation is also subject to approval from their FIG member Federation/ Home Nation in accordance with FIG statutes. They will receive score(s) but will not receive a ranking in the official competition results. In such circumstances, the gymnasts will be referred to as Guest.

Publication of Results

After individual events & the final qualification event, results will be collated, ranked, and verified before publication. Results and standings will be sent out as soon as possible in the week following the competition.

A link to the results and tables will be placed in the [British Gymnastics Find an Event](#) and on the [EGA Website](#).

General Regulations

Coaches must make adequate provision for the supervision of their gymnasts upon arrival at the venue. Gymnasts will not be allowed to register or begin warm up without their coach present. All gymnasts must have an accredited coach present at the event. If a gymnast attends a competition without a Supervising Coach, they will not be allowed to compete.

Registration

You may only register your gymnast(s)/ club when those competing in that section of the event have arrived at the competition venue and intend to compete. Please inform the Registration Desk of any withdrawals as soon as possible.

During registration, accreditation/ passes will be issued. Accreditation/ passes are non-transferable, and any infringement of this rule may result in disciplinary action being taken by the EGA.

Competition Cards

Competition cards are required at all Levels and competitors may not compete without a valid Competition Card.

It is the coach's responsibility to ensure that the Competition Cards are completed correctly and submitted at the Registration Desk. If no Registration Desk is present, please hand them straight to the **Difficulty Judge** on the appropriate Panel before the competition/ flight starts.

Competition Cards should be marked with asterisks to indicate required elements in EGA/ WAG/ FIG routines. This must be completed prior to the Card being submitted. Likewise, all elements that require a difficulty mark should be identified before the Card can be accepted.

All Cards must be signed by the appropriately qualified Supervising Coach in order to be valid. Competitors may not compete without a valid Competition Card.

Although, it is preferred that a template is used, Competition Cards may be submitted on plain paper as long as they are clearly legible and completed using FIG notation.

- Enquiry forms will be published in each event work plan.

A verbal enquiry should be made after the publication of the score and at the very latest before the end of the flight.

A fee will only be due if the enquiry is about something other than a missing Time of Flight or a questioning of DD.

If a resolution cannot be made before the start time of the next competitors' routine, the calculated mark will be listed as 'provisional' and will be considered at the end of the flight and before any award ceremony.

The Judge Panel/ Judge Competition Coordinator cannot accept any photographic analysis at an event unless an official video replay system is available and could be referred to by the Chair of the Judges Panel for the benefit of every competitor.

Access to the warm-up hall will be limited to the appropriate number of coaches as defined in the specific details section for each event. On arrival, coaches will need to register and collect their accreditation from the Accreditation Desk. In the case of events spanning more than one day, accreditation may be issued for each day.

Judges will not be allowed into the warm-up hall once the Judges' Meeting has taken place.

The warm-up will be defined by time allotted in the Timetable. If your gymnast was late to the warm-up, they will not be afforded extra time. It is up to the coach and performer to be on time and ready to warm-up and compete.

Health and safety

Overview

The health, safety, and welfare of all participants (gymnasts, coaches, and officials) is the primary consideration. All British Gymnastics policies and procedures will be rigorously applied with regards to health, welfare and safeguarding and protecting children.

The intention of the event is to create a friendly and no-stress/ low-pressure environment for all those involved, while allowing gymnasts the opportunity to challenge themselves to do their best. Ensuring the safety of the gymnasts, no matter their age, is a priority in the event set up, programme design and risk assessment, using the guidance set out by British Gymnastics within the [Club Hub - Resources \(Health, Safety, & Welfare: Safe Coaching\)](#) document.

Risk assessments

Risk assessments have been carried out for this event, but if you feel there is something/one that may require additional assessment, please contact [English Event Enquiries](#) via email ASAP with specific details.

While risk assessments for the event have been completed, your club is responsible for specific risk assessments related to your club e.g., travelling to and from the event etc.

As part of your risk assessments and preparation for the event, please consider the welfare of individual Gymnasts, including such items:

- Clothing not being revealing/ embarrassing for males, females, and transgender Gymnasts/ Coaches/ Judges.
- Age of Gymnasts when changing, socialising etc.

The British Gymnastics Health, Safety and Welfare Policy has guidance on such areas and there are a few videos/ courses which may help you also:

Government Legislation requires that when a Club takes a Gymnast(s) under the age of 18 years on a journey involving an overnight stay, the Club must ensure that there is a designated trained person responsible for child protection on the trip. To adhere to the CPSU Child Protection Standards, this person must not be related to or in a relationship with the Coach attending the trip. The training for the designated person should be British Gymnastics recognised Safeguarding & Protecting Children Awareness training.

Please note that the British Gymnastics Membership Insurance does not cover Travel or Emergency Medical Expenses and we, therefore, **recommend that**, where necessary, **you take out additional Travel Insurance as required**. Travel guidance is outlined within the [Club Hub – Resources \(Health, Safety, & Welfare Guidance – Safe Trips\)](#).

Medical Provision

Anyone requiring First Aid assistance should speak to the Organiser. It is recommended that all coaches have a First Aid kit with them for minor injuries.

At all EGA events, an official medical team will be appointed and will be available to treat gymnasts who sustain an injury at the event. The medical team are not able to treat pre-existing or chronic injuries. Any injury occurring or injury requiring treatment during the official training or competition, must be reported to the medical team, to ensure a record can be kept of treatment given and by whom.

The decision of the Competition Organiser based upon the recommendation of the EGA appointed medical officer as to the gymnast's health and medical status and their ability to compete at the event is absolute and final.

Emergencies

As part of event, everyone attending must adhere to the emergency procedures and follow the professional guidance of the Competition Organiser and members of staff from the venue. Below is a brief guide of the venue emergency procedures.

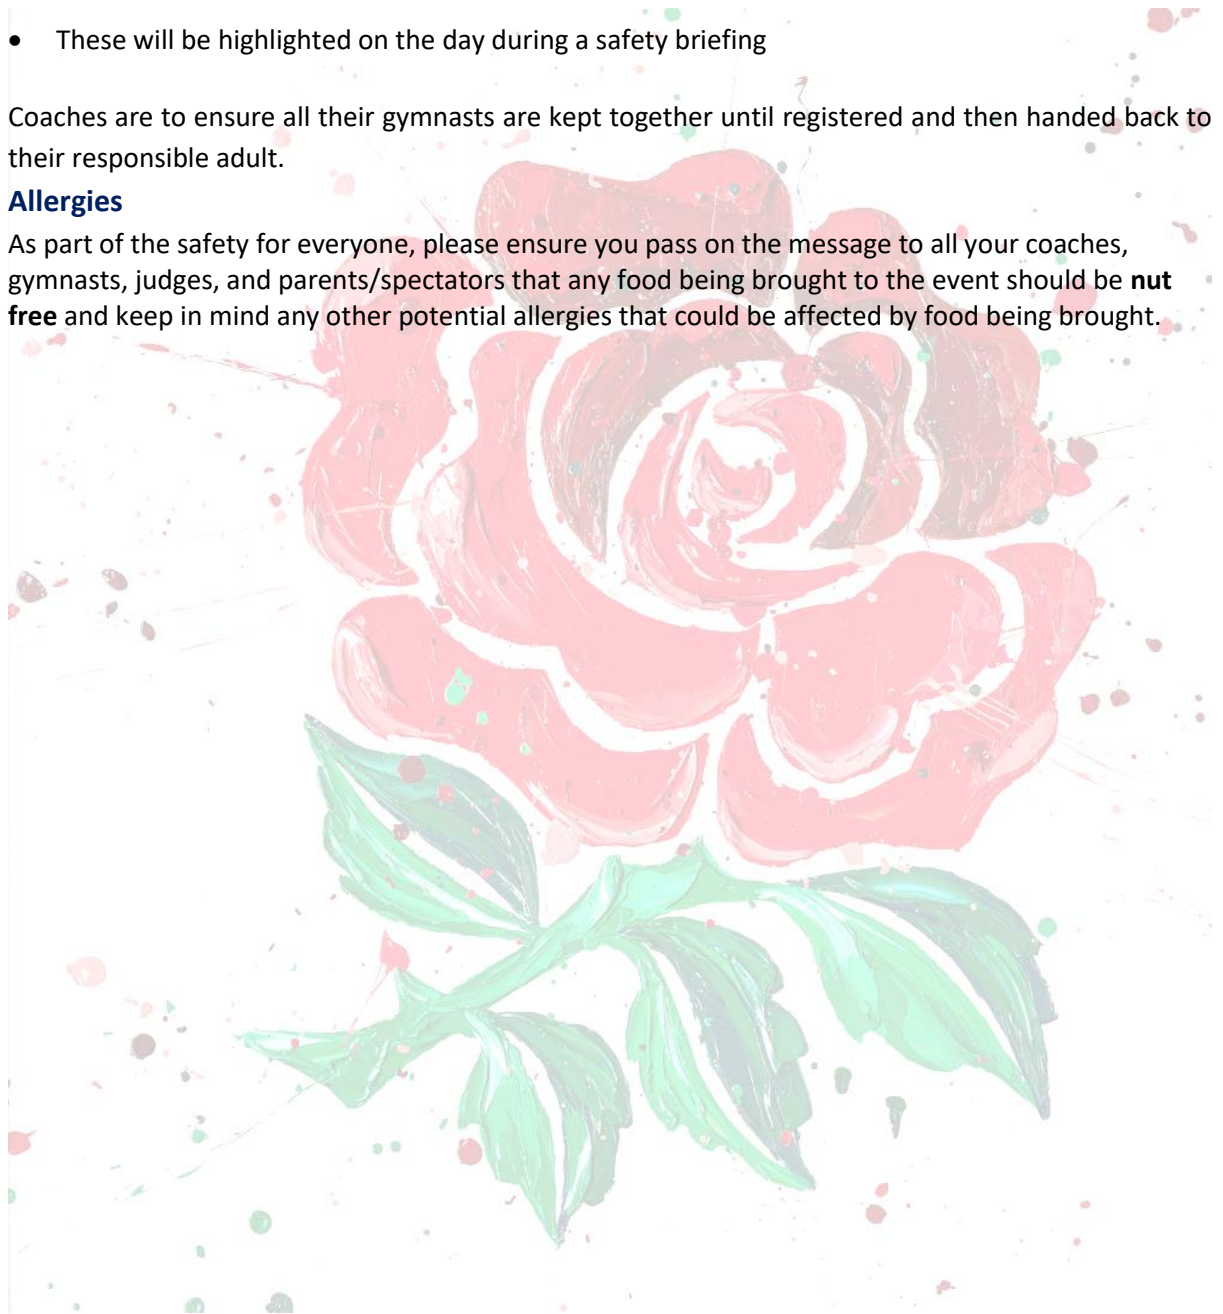

In the event of the emergency alarms sounding, please evacuate via one of the following routes:

- These will be highlighted on the day during a safety briefing

Coaches are to ensure all their gymnasts are kept together until registered and then handed back to their responsible adult.

Allergies

As part of the safety for everyone, please ensure you pass on the message to all your coaches, gymnasts, judges, and parents/spectators that any food being brought to the event should be **nut free** and keep in mind any other potential allergies that could be affected by food being brought.

Appendix 1 – Time of Flight Protocols

(Time of Flight Measurement Device = TMD)

ToF Score (T-Score) Protocol

The T score will be determined by the measurement retrieved via the TMD. In the event of this NOT being achieved the following back up protocols will be adopted:

ToF Back-up Protocol 1

In the first instance, the T score will be determined using the TMD's recommended T-Score retrieval software-VTimer.

ToF Back-up Protocol 2

In the event of the routine being missed on both the TMD and the capturing software, the competitor will be authorised another attempt(s). The authorisation will be granted based on 'faulty equipment'. In this scenario, the original E and D scores will remain the same. The attempt(s) will be judged only by the ToF judge, and the routine being verified by the D judges. Should this happen, the following regulations will be applied:

The Chair of judges will negotiate only with the gymnast's coach for the most opportune moment for him/ her to have their second attempt(s), (this must be completed within the time scale permitted as outlined in the event timetable).

The second attempt/s will be judged only by the ToF judge. The original E and D score will remain operative.

The gymnast must compete with the exact same routine as the one in which their T-score was missed.

In the event the gymnast fails to complete their routine after an agreed amount of attempts the T-score will be calculated based on previous scores.

ToF Back-up Protocol 3 (Previous Scores)

In the event of the gymnast failing to complete their attempts the T-score will be based on the T=score from the last (or previous) qualification event(s). However, the routine would have needed to be the same. Should this not be possible, this protocol will not be used, and Number 4 will become operative.

If there is still a tie, the tie will not be broken.

In case of a tie at any individual discipline during the All-Around Team Final, the tie will not be broken and both teams will receive the same amount of points.

In case of a tie at any place in the transition between rounds, the starting order will be determined by the Qualifying Round Ranking

If there is a tie in points after the final discipline, the following will apply to determine the winner:

1. The team with the highest total score (adding the scores of the eight events from Finals)

If there is still a tie, the team with the higher Qualifying Round Ranking prevails.
